Metal Combo Unit. The EX10-P Series exit sign and power pack combination units offer a complete package of features to make installation fast and easy. Economically priced, the EX10-P Series offers a construction quality usually found in higher-priced signs. This series is ideally suited for applications where many combination units will be installed and where lowest installed cost is a priority.

- Comes pre-assembled for quick, easy installation
- Easy access to wiring entry for all mounting options
- Canopy mounting system designed specifically for ease of installation
- Universal, field-selectable chevrons (knockout)
- Energy efficient complete unit consumes less than 3.5 watts
